

## **Malt Production Assistant**

### **Rabbit Hill Farms**

227 East Avenue  
Shiloh, NJ 08353

Rabbit Hill Farms is seeking a hardworking and enthusiastic individual to join our malthouse production team. We are a small family farm in Cumberland County, NJ who is focused on growing and malting our own grains for use by craft brewers and distillers. Our goal is the production of high quality and flavorful malts which contribute to the local craft beverage community and a sense of local flavor.

### **Work Description**

- Responsible for assisting the Farmer-Maltsters in performing the job duties necessary for processing batches of raw grain into malt and maintaining high quality standards
- Warehouse Maintenance and upkeep (keep in a tidy and orderly fashion, take out trash etc.)
- Order fulfillment including pull, stage, and document orders
- You must be able to perform, and be comfortable with, physical labor.
- Work as part of the overall team to support other projects
- Participate in occasional trainings and professional development opportunities
- Other duties as required and assigned – potentially including tasks on the farm side of the business if required

### **Job requirements**

- Attention to detail.
- Ability to work independently and as a team member.
- Ability to learn and apply new skills.
- Ability to endure physical labor and be on your feet for periods of 2-6 hrs.
- Ability to shovel grain and green malt for periods of 1-2 hrs.
- Ability to lift up to 50-65 lbs repeatedly without injury.
- Reliable transportation to/from work and a valid driver's license
- Flexibility to meet adjusting work schedules.

### **Job duties**

- Performing the required duties involved in malting, cleaning, warehousing, order fulfillment, and quality control of the malt.
- Duties may change depending on the season and adjusting workloads.
- Malting skills taught with on-the-job training

### **Preferred Experience**

- Be over 21 years old.
- Experience with a forklift and warehousing.
- Experience with hand and power tools.

- Desire to learn about the malting industry.
- Interest/passion about the craft food and beverage industry.
- Malt and beer knowledge.

**Compensation:**

- Competitive for the Brewing and Agriculture Industries and will be discussed with qualified candidates.
